BPH Plumbing Heating Services

We would like to thank Dave Gill and company for his excellent Plumbing and Heating Services he provided us recently. With recent alterations to our kitchen we required a quality plumbing and heating company to undertake the challenge presented to them.

BPH undertook the work and finished the job in very good time and in a professional manner. Further advisory information was also welcomed.

BPH Plumbing & Heating far exceeded our expectations.

I would have no hesitation in recommending their services to anyone.

Yours sincerely
