

Belvoir Lettings (Aberdeen) depends on the honest diligent work of Balmedie Plumbing & Heating (BPH). We find their service to be exact, dependable, and they have always made themselves available to help us when emergencies occur. I would best describe BPH as being of excellent work ethics, knowledgeable and trustworthy.

BPH continue to deliver a performance above and beyond my rather high expectations. Mr David Gill and his team understand our needs and service goals and are there to accommodate us anytime day or night. They truly are a part of our team. Nowhere have I found such professionalism and genuine interest in having me as a client.

I can confidently recommend BPH as a solid and reliable contractor, and experts in their field.
