Dear Dave,

I would like to take the opportunity to thank you for carrying out the repairs to my central heating boiler just before Christmas. After getting in touch, you arrived very quickly to look at the problem. You and your staff were polite, helpful and kept me informed on what the problems were and how you would be able to rectify them.

Overall I was very pleased with the service you provided and would not hesitate to recommend your company to any friends, family and business associates.

I will call you if I should have any further plumbing or heating work for myself, or anyone else, looking for a reliable and professional plumber.

If any of your clients would like a reference, then please ask them to contact me on either of the telephone numbers above.

Yours Faithfully,

Bob Hewitt
