Dear Dave,

I would like to take this opportunity to pass on my sincere thanks for your recent service in fixing our boiler in our flat..

The boiler has been very temperamental for over a year now and many have been before you to "try" and fix it.

Once you made your initial assessment and managed to source the various parts it took very little time for you to fix and has been working like a dream since.

Many thanks again and I will be recommending your business to many others!

Yours Sincerely
